4-H Family News

November-December 2020

Happy Holidays from 4-H

All of MSU Extension has been encouraged to take a quiet December. 2020 has been a stressful year, and like you, we have faced many challenges including moving our programming to a virtual format.

While December will be quiet for us, we plan to announce some exciting new programs and opportunities for hands-on learning in early 2021. We are currently exploring different formats and topics to hopefully find something that works for everyone. My goal is to engage both existing and new 4-H members in a variety of projects ranging from traditional animal projects in preparation of summer fairs and showcases to learning history by recreating the architectural styles of ancient civilizations.

For now, take some time with your family to celebrate the holidays, and hopefully we can all be back together soon in 2021!

4-H Cloverbud Social/Emotional Wellness Kits

While adults deal with emotions and respond to situations in different ways, youth sometimes struggle to even identify their emotions and often need help expressing those emotions.

The 4-H Cloverbud Social/Emotional Wellness Kit is full of activities for you and your 5-8 year old youth to do together to explore emotions and find appropriate ways for your youth to express emotions. For additional information on the kit and how to get yours, visit

Virtual showcase and auction success

When the COVID-19 pandemic led to the cancellation of many Michigan fairs, MSU Extension and Michigan 4-H were proud to team up with local community partners to provide an online platform

that supported the 4-H experience and continued longtime traditions. Though not the same as a county fair, 4-H virtual learning showcases and auctions provided a space for youth to demonstrate their mastery of skills developed in 4-H, receive feedback on their efforts and market and sell their 4-H projects. Though there were many learning curves and bumps in the road, the 2020 4-H virtual showcase and auction season led to many successes and for that, we say THANK YOU.

Here's a look back at the 2020 4-H virtual showcase and auction season:

- 58 counties offered a 4-H virtual showcase and/or auction for youth
- 17 virtual auctions were held
- 7,294 entries were submitted
- 2,699 youth participated
- 3,764 buyers/donors registered for virtual auctions
- \$1.4 million was spent by donors and buyers at 4-H virtual auctions

“We are grateful to partners who have collaborated with us to host these virtual events for 4-H'ers, as well as all the buyers who supported them,” said Jake DeDecker, MSU Extension’s state 4-H leader for Michigan 4-H. “We’re also grateful to each of the youth who took part in this new experience and made the best of a tough situation.”

Participating youth also had positive feedback:

- “The week at the county fair is always a huge event for my family that we look forward to year round. This year sure was different, but we are so blessed to have the virtual option and thankful for all of the hardworking volunteers that put these events on!”
- “Thanks so much for all of your support this year, we can’t thank you enough! What a challenging year for sure. Thank you for making a virtual fair happen when everyone could have simply just cancelled everything. You made it possible and we can’t thank you enough.”
