About the 4-H Outdoor Adventure Challenge Training Manual

The 4-H Outdoor Adventure Challenge (OAC) Training Manual is the core training curriculum for 4-H volunteers being trained and certified as Michigan 4-H Outdoor Adventure Challenge leaders to work with 4-H clubs interested in OAC programming and activities. This version of the 4-H Outdoor Adventure Challenge Training Manual was created in 2011 by current 4-H Outdoor Adventure Challenge Trainers, State 4-H Outdoor Adventure Challenge Coordinator Jim Harper, and State 4-H Program Leader Judy Ratkos. Special thanks go to Lindsey LaForte and Theresa Whitenight for their revision efforts.
