**Staffer of the Month –**

March “staffer of the month” is Alicia Burnell.

**Staffer of the Year and Team of the Year-**

We started a discussion of possibly changing Staffer of the Year to only giving out 1 year. Though is not an issue with funds, it's to make it more prestigious. A few ideas were given and it was agreed to table the discussion until the April 1 meeting.

Here are a few ideas:

*Having one winner and a runner – up.*

*Possibly tying it in with the staffer of the month and possibly increasing staffer of the month to 2 month.*

*Also, increasing the fund for the Team of the Year award.*

**Dean Search -**

An email has been sent out earlier this week with a list of the members of the Dean search. The earliest that candidates would be brought in is August.

**Picnic –**

The invitation will be coming out after ANR week. We discussed on the time the committee should be there, we agreed on 11:00am with the awards starting at 11:30am. The awards will be done first and should take ½ hour. It was discussed that we could hand out the programs and guide people to the awards ceremony. Kris will be asking Jennifer to join us for our April meeting.

Next meeting is April 1, 2015.

**Adjournment** - Meeting adjourned at 2:10 pm.

Respectfully Submitted, Ellen Schueller
